Road Construction

Morton Avenue

Morton Avenue in Jacksonville – The Illinois Department of Transportation announces that road construction will begin the week of June 13, 2016. The project includes resurfacing, bridge repairs, sidewalk improvements, and traffic signal modernizations on IL 104(Morton Avenue) from 0.1 miles east of Mound Road to 0.2 miles east of Hardin Avenue in Jacksonville. Lane closures will be required during portions of the project. It is anticipated that the project will be completed in the fall of 2017.

The contractor on this \$10.5 million project is Illinois Valley Paving of Springfield, Illinois.

Please slow down and use extreme caution while driving through all work zones.
